To its right are three green circles of decreasing size from left to right. On the right side of the image, there are several silhouettes of hands pointing to the right. The largest silhouette in the foreground has the word 'Volunteer' written on it in white, oriented vertically. Behind it are several smaller, lighter-colored silhouettes of hands pointing in the same direction.

**DARTPARTNERSHIP**

Down & Armagh Rural Transport Partnership is a registered charity which aims to assist our local communities in Craigavon & Banbridge through the delivery of safe, accessible and affordable community transport services.

We often assist the most disadvantaged and vulnerable individuals offering a valuable social life-line for people with disabilities, the elderly and other marginalized groups.

Our work brings us right to the heart of the community and we urgently need more volunteer minibuses and social car drivers.

As a DART volunteer minibus or social car driver you will meet lots of new people from a wide range of backgrounds and form new friendships.

You will learn new and marketable skills (MIDAS - Minibus Driver, Social Car/MPV Driver) while significantly improving people's quality of life throughout Craigavon & Banbridge.

You will receive full support and accredited driver training.

Whether you are retired, filling a 'stop-gap' or just want to give something back to your community, volunteering opportunities with Down Armagh Rural Transport can be just what you need.
